

# Family History - Cosh Genealogy

Key for the numbering system used: Each generation is a number separated by a period. Rev. McCosh is the first generation and therefore 1. His son John is the first person in the second generation and therefore 1.1. Thomas Cosh is the second person in the third generation and therefore 1.1.2. Everyone else in this genealogy stems from Thomas Cosh and therefore all start with the numbers 1.1.2, for ease of reading, these first three numbers have been removed. For example, I am number 7.2.1.4, the fourth child of Harold Cosh, who is the first child of Joseph William Cosh, who was the second child of Benjamin Snelling Cosh, who was the seventh child of Thomas.
